DR M ROBINSON ASKED THE MINISTER FOR THE ENVIRONMENT AND THE GREAT BARRIER REEF AND MINISTER FOR SCIENCE AND YOUTH AFFAIRS (HON M SCANLON)—

QUESTION:

With reference to camping on North Stradbroke and Moreton Islands—

Will the Minister advise in relation to the current requirement for COVID-19 vaccine certificates to be produced with bookings given that the Public Health Emergency has ended in Queensland?

ANSWER:

I thank the Member for the question.

The Quandamooka Yoolooburrabee Aboriginal Corporation (QYAC) manages visitors to the Minjerribah Recreation Area through Minjerribah Camping and to the Moreton Island Recreation Area through Mulgumpin Camping.

QYAC publishes its COVID-19 safety information and measures for Minjerribah and Mulgumpin on its relevant websites at <https://minjerribahcamping.com.au> and <https://www.mulgumpincamping.net.au/>.

As a large employer of First Nations peoples, the safety and wellbeing of employees, guests and the local community is paramount.
