QUESTION:

Will the Attorney-General advise of the total cost of the Rockhampton Livingstone boundary review from the commencement of the referral?

ANSWER:

I thank the Member for Warrego for her question.

I am advised that the Local Government Change Commission expended \$153,215 to undertake the Livingstone Shire Council and Rockhampton Regional Council boundary review.

The cost was primarily for the mail and online survey sent to 85,501 electors in both local government areas.
