ANSWER

The Queensland Building and Construction Commission (QBCC) has advised that the number of times a QBCC Commissioner, Assistant Commissioner or executive level staff member has met with the relevant QBCC Board Members is as follows.

QBCC Staff Member	Andrew Hickman (Appointed 19 July 2018)	Jade Ingham (Appointed 19 July 2018)
Commissioner	11	6
Assistant Commissioner	10	6
Executive	1	1

I am advised this data has been drawn from QBCC information systems for diary entries made over the past 46 months. I am also advised that based on the data provided, the QBCC is unable to confirm whether all meetings went ahead.

Interaction with commissioners and executives is within normal expectations of directors.
