MS R BATES MP ASKED THE MINISTER FOR HEALTH AND AMBULANCE SERVICES (HON Y D'ATH)—

QUESTION

With reference to Triple Zero (000) calls for an ambulance—

Will the Minister provide the average time for a call to be answered for each calendar month from January 2015 to April 2022?

ANSWER

I have been advised this data is not a publicly reported measure and therefore is not a readily available report.

The question would require extended work to extract, collate and analyse the data to answer and would necessitate diverting resources from delivering frontline services.
