

Question on Notice

No. 51

Asked on 23 February 2022

MS R BATES ASKED THE MINISTER FOR HEALTH AND AMBULANCE SERVICES (HON Y D'ATH)—

QUESTION

With reference to answer to Question on Notice No. 954 of 2021—

Will the Minister provide the five longest Patient Off Stretcher Times for each of Queensland's 26 largest public hospitals for the following calendar months (a) August 2021, (b) September 2021, (c) October 2021, (d) November 2021, (e) December 2021 and (f) January 2021?

ANSWER

The Queensland Ambulance Service (QAS) provides data to Queensland Health for the purpose of reporting against approved performance measures.

Data is provided on the 21st of each month and includes patients with an off-stretcher time between zero and 480 minutes. I am advised that the below table, provided by QAS, represents the five highest events per month by Queensland's reportable hospitals for August 2021, September 2021, October 2021, November 2021, December 2021, and January 2021.
