MR J MCDONALD ASKED MINISTER FOR TRANSPORT AND MAIN ROADS (HON M BAILEY)—

QUESTION:

With reference to the February and March 2022 South East Queensland flood event—

Will the Minister advise the dates (if any) on which flood debris has since been removed from fencing between Ipswich Road and the Ipswich Motorway in the vicinity of the creek tributary immediately east of the JB Hi Fi Oxley Home Superstore?

ANSWER:

I thank the Member for Lockyer for the question.

The Queensland Government acknowledges that there has been an unprecedented amount of rainfall across a vast area of South East Queensland that caused significant impacts to the network.

The Department of Transport and Main Roads advises that debris removal at this location was carried out on 17 May 2022, with follow up works on 2 June 2022. The final visit to this location occurred on 8 June 2022.
