MR T MANDER ASKED MINISTER FOR ENERGY, RENEWABLES AND HYDROGEN AND MINISTER FOR PUBLIC WORKS AND PROCUREMENT (HON M DE BRENNI)

With reference to agenda item 6.6 raised at the QBC Board meeting of 28 February 2019—

Will the Minister advise if QBC Board Member Mr Andrew Hickman complied with Section 20C, Clause 3, of the Queensland Building and Construction Commission Act 1991?

ANSWER

I am advised that Mr Andrew Hickman had declared his interests in a number of entities as part of his membership of the Board.

In respect to agenda item 6.6, the Chair has advised me that the Board did not consider nor decide the matter, but instead referred it to the Services Trade Council and therefore section 20C(3) did not apply.
