DR A MACMAHON ASKED MINISTER FOR EDUCATION, MINISTER FOR INDUSTRIAL RELATIONS AND MINISTER FOR RACING (HON G GRACE)

QUESTION:

Will the Minister advise what the government's plans are for the future of East Brisbane State School, and how will it be affected by the government's plans to demolish and then re-build the Gabba Stadium which is directly next to the school?

ANSWER:

The Queensland Government is investing in community-shaping opportunities, such as the Brisbane 2032 Olympic and Paralympic Games (Brisbane 2032), that will serve as a catalyst to fast-track future planning and redevelopment opportunities for the region.

The Gabba has been announced for redevelopment for Brisbane 2032.

The Department of Education is working closely with the Brisbane 2032 Taskforce to ensure the needs of East Brisbane State School are considered in the planning and redevelopment of the area, including sharing the heritage constraints on the school site.

The department is committed to working with and full consultation with East Brisbane State School and the community to understand their views and ensure they remain informed.
