

Question on Notice
No. 658
Asked on 22 June 2022

MR T WATTS ASKED MINISTER FOR EDUCATION, MINISTER FOR INDUSTRIAL RELATIONS AND MINISTER FOR RACING (HON G GRACE)

QUESTION:

With reference to State Primary Schools with over 150 students—

Will the Minister advise (reported individually with location and number of students) (a) how many are in Queensland and (b) how many in Queensland do not have a fully enclosed hall/fully enclosed sport facility?

ANSWER:

As at the February 2022 student enrolment census, there were 542 Queensland state primary schools with more than 150 students enrolled in Prep to Year 6.

Attachment 1 outlines the 542 schools with more than 150 students, their location and the number of students.

The Department of Education is unable to provide the number of schools that do not have a fully enclosed hall or fully enclosed sports facility. The asset management systems identify which schools have a hall or sports facility; however, the systems do not capture whether these facilities are fully or partially enclosed.

Almost all of the 542 schools have either a hall or some kind of sports facility.

Gladstone Central State School, Seven Hills State School, Urangan Point State School and Wilston State School will benefit from the Queensland Government's *Great Schools, Great Future* program to deliver new halls and performing arts centres in Queensland state schools by 2024.

Funding has also been allocated in the 2022–23 State Budget for planning for hall facilities at Freshwater State School, Toowoomba North State School and Yandina State School.

Queensland State Primary Schools with more than 150 enrolled students

As at 3 July 2022

Notes:

1. Student enrolment figures are correct as at February 2022 for Prep Year to Year 6. The number of enrolled students represents a distinct count of students at each school. A student may be enrolled part time at another school and therefore in the enrolment count of multiple schools.
2. Primary schools are listed where enrolments are more than 150 enrolled students.
3. Primary schools does not include P-10/12 or School of Distance Education.

School name	Location (suburb)	Enrolled students
