Southport State School	564	817	40%

¹ Source: August enrolment collection (provisional data) – includes all student enrolments in Prep to Year 12.

² The latest validated and published data available at this time is from the February 2022 Census.

³ The built capacity has been adjusted since the August 2021 report to better align with the requirements of the International Baccalaureate curriculum regarding teaching spaces.

⁴ Due to the specialised nature of the Queensland Academy for Health Sciences, the school does not have a specific catchment area.
