No. 1014

**MR T NICHOLLS** ASKED THE ATTORNEY-GENERAL AND MINISTER FOR JUSTICE, MINISTER FOR PREVENTION OF DOMESTIC AND FAMILY VIOLENCE (HON Y D'ATH)

—

### QUESTION:

Will the Attorney-General provide the attrition or separation rate of staff of the Public Trustee by year for the last three years?

### ANSWER:

The annual separation rate for the Public Trustee by year for the last three financial years is:

Financial Year	Separation rate
2020-21	8.4%
2021-22	14.4%
2022-23	11%

The Public Trustee's (PT) separation rate is not unexpected given PT has a highly skilled workforce, practiced in working with Queenslanders experiencing vulnerability.

The PT's separation rate is on a downward trend in comparison to 2021-2022 and it is anticipated that this trajectory will continue as the PT continues to invest in attraction and retention strategies.
