**No. 1106**  
**Asked on 13 September 2023**

**Mr D Purdie** asked Premier and Minister for the Olympic and Paralympic Games (Hon. A Palaszczuk)—

QUESTION:

With reference to the Premier's commitment to fit up to 20,000 vehicle immobilisers in Cairns, Townsville and Mount Isa—

Will the Premier provide the target for the number of immobilisers to be fitted each quarter in 2023-24 for each of the three locations?

ANSWER:

I am advised by the Queensland Police Service that there are no quarterly targets.

The total number of vehicle immobiliser vouchers allocated for the trial period for each location is 9,000 in Townsville, 8,000 in Cairns and 900 in Mount Isa.

A further 2,100 vouchers have been reserved for distribution across the three locations for individuals identified by police who would benefit from the installation of a vehicle immobiliser device.
