Asked on 14 September 2023

MR S MINNIKIN ASKED MINISTER FOR TRANSPORT AND MAIN ROADS AND MINISTER FOR DIGITAL SERVICES (HON M BAILEY)—

QUESTION:

Will the Minister advise, for each train in the Queensland Rail fleet, the date that it is programmed to have all necessary European Train Control System (ETCS) equipment installed and operational?

ANSWER:

I thank the Member for Chatsworth for the question.

Each of the three car City Train sets in the Queensland Rail fleet which will have ETCS equipment installed and operational for testing and commissioning purposes will be equipped and operational before the end of 2023.
