**No. 1320**

**Asked on 25 October 2023**

**MR J BLEIJIE** asked the Deputy Premier, Minister for State Development, Infrastructure, Local Government and Planning and Minister Assisting the Premier on Olympic and Paralympic Games Infrastructure (HON S MILES) –

### **QUESTION:**

Will the Deputy Premier list the expected completion date for each Olympic and Paralympic Game venue Project Validation Report?

### **ANSWER:**

The Queensland Government is currently developing Project Validation Reports (PVR) for 11 new and upgraded venues required for the Brisbane 2032 Olympic and Paralympic Games.

Timing of completion of PVRs is dependent on analysis in the PVR, which includes the development of a high-level reference design and considers service needs, social impacts, economic impacts, project costs and operating models.
