ANSWER:

I thank the Member for Mudgeeraba for the question.

The Palaszczuk Government is delivering its eighth record transport and roads infrastructure program in a row, as detailed in the *Queensland Transport and Roads Investment Program 2023–24 to 2026–27*, which outlines \$32.1 billion in investment over the next four years and is estimated to support an average of 25,200 direct jobs over the life of the program. Of this, \$5.504 billion is committed across the Department of Transport and Main Roads' South Coast Region, estimated to support an average of 4130 direct jobs over the life of the program.

The vehicle movements and traffic count information for the state-controlled roads requested is provided in the following table.
