ANSWER

The 2023-24 Budget Paper No. 3 (BP3 - https://budget.qld.gov.au/files/Budget_2023-24_Capital_Statement.pdf), reports capital allocations by project, including actual expenditure to 30 June 2023, budgeted expenditure in 2023-24, and budgeted expenditure in post 2023-24.

The project information for (a), (b), (c) and (d) are set out on pages 43, 44 and 47 respectively.

Annual budgeted expenditure in respect of the post 2023-24 period will be set out in future budget papers.
