

Question on Notice

No. 1456

Asked on 15 November 2023

MR B HEAD ASKED MINISTER FOR TRANSPORT AND MAIN ROADS AND MINISTER FOR DIGITAL SERVICES (HON M BAILEY)—

QUESTION:

Will the Minister advise within the Callide Electorate, vehicle movements and traffic count since 2015 (reported annually in table format) for the (a) Burnett Highway (b) Dawson Highway (c) Isis Highway (d) Leichhardt Highway (e) Bruce Highway and (f) Warrego Highway, detailing the exact location of counting equipment?

ANSWER:

I thank the Member for Callide for the question.

The Queensland Government is delivering its eighth record transport and roads infrastructure program in a row, as detailed in the *Queensland Transport and Roads Investment Program 2023–24 to 2026–27*, which outlines \$32.1 billion in investment over the next four years and is estimated to support an average of 25,200 direct jobs over the life of the program. Of this, \$2.356 billion is committed across the Department of Transport and Main Roads' Southern Queensland Region, estimated to support an average of 2240 direct jobs over the life of the program, and \$1.39 billion is committed across the Fitzroy District, estimated to support an average of 340 direct jobs over the life of the program. The vehicle movements and traffic count information for the state-controlled roads requested is provided below.

2015	Burnett Highway (Goomeri – Gayndah)	290m south of Ban Ban Springs	1184
