**Asked on 16 November 2023**

**Ms F Simpson** asked Premier and Minister for the Olympic and Paralympic Games (Hon. A Palaszczuk)—

QUESTION:

Will the Premier advise why the Queensland Government Annual advertising spend for 2022-23 has not been published on the government's open data portal?

ANSWER [Premier (Hon. Dr S Miles)]:

The Department of the Premier and Cabinet (DPC) proactively releases annual advertising placement expenditure by departments on DPC's publication scheme available on the department's website following the conclusion of each financial year.

The figures are made available after they have been independently audited, a process that can only begin following the conclusion of the financial year.

I am advised by DPC that the audit has been completed and the data will be published shortly.
