**Notes:**

1. Data extracted as at 30 November 2023.
2. The percentage is calculated by determining the proportion of the total number of applications paid relative to the total number received in the financial year. Some percentages may exceed 100 percent, reflecting instances where the number of applications paid includes applications received in previous years.
3. The total number paid is based on the payment date, while the total number received is based on the application received date.
4. Figures include past and current variants of the first home owner grant scheme such as FHOG, Great Start Grant and QFHOG.
