On 18 December 2023, I was appointed as Minister for State Development and Infrastructure, Minister for Industrial Relations and Minister for Racing and as such, I am now the responsible Minister to answer this question.

On 13 December 2023, the Premier announced a 60-day review into the Brisbane 2032 Olympic and Paralympic Games (Brisbane 2032) venues, including the Gabba Stadium. For projects that proceed following the review, the Queensland Government is committed to releasing business case and project validation report summaries to provide the community and stakeholders with information about the progress made on commitments to deliver new and upgraded venues in time for Brisbane 2032.
