Mr J McDonald asked Premier and Minister for the Olympic and Paralympic Games (Hon. A Palaszczuk)—

QUESTION:

With reference to the Premier's commitment to trial vehicle engine immobilisers in Mt Isa, Cairns and Townsville—

Will the Premier advise how the concerns raised about this technology in the Transport and Resources Committee's inquiry into Vehicle Safety, Standards and Technology Including Engine Immobiliser Technology will be addressed?

ANSWER:

The Government is currently developing the vehicle engine immobiliser trial, which is to be rolled out in Cairns, Townsville, and Mt Isa.

The commentary on immobiliser technology as raised in Report No. 12, 57th Parliament – Transport and Resources Committee's inquiry into Vehicle Safety, Standards and Technology Including Engine Immobiliser Technology (the Report), will be considered in the trial design phase prior to the commencement of the trial.
