MR S BENNETT ASKED THE MINISTER FOR THE ENVIRONMENT AND THE GREAT BARRIER REEF AND MINISTER FOR SCIENCE AND YOUTH AFFAIRS (HON M SCANLON)—

QUESTION:

With reference to the ongoing fish deaths, water quality and algal bloom problems at Money's Creek at Bargara in my electorate—

Will the Minister advise (a) what funding the Minister is planning to allocate for the rehabilitation of Money's Creek and (b) when and to whom, will funding be made available?

ANSWER:

I thank the Member for the question.

As the Member knows Bundaberg Regional Council is responsible for the management of the infrastructure which influences the water quality in the lagoon at Money's Creek.
