QUESTION:

With reference to organisations in North Queensland that are experiencing difficulty in holding events, which have been held for a number of years because no specific permit class exists for the use of ATV's for tourism related events—

Will the Minister consult with the industry to create a new and specific permit for the use of ATV's for tourism related activities and events?

ANSWER:

As the question asked refers to tourism related events, I suggest that the member direct the question to the relevant portfolio minister.
