Asked on Tuesday, 18 April 2023**

MR T MANDER ASKED MINISTER FOR ENERGY, RENEWABLES AND HYDROGEN AND MINISTER FOR PUBLIC WORKS AND PROCUREMENT (HON M DE BRENNI)

With reference to Capital Expenditure undertaken by the Department of Energy and Public Works—

Will the Minister provide (a) a list of all current capital projects due to exceed their initial project completion date, (b) the updated project completion date, (c) a list of all current capital projects with a budgeted overspend and (d) the value of the overspend for each project?

ANSWER

For the purposes of this question, *Capital Expenditure undertaken by the Department of Energy and Public Works* has been deemed to mean construction capital expenditure by the department on its owned assets only. Current projects are deemed to mean projects currently under construction.

- (a) The Cairns Convention Centre project is due to exceed the initial project completion date.
- (b) The updated project completion date is July 2023.
- (c) There are no capital projects with a budgeted overspend.
- (d) Not applicable.
