MRS D FRECKLINGTON ASKED THE MINISTER FOR REGIONAL DEVELOPMENT AND MANUFACTURING AND MINISTER FOR WATER (HON G BUTCHER)—

QUESTION:

Will the Minister advise (a) the attrition rate for the Manufacturing Hub Manager positions, (b) if any of these Manufacturing Hub Manager roles were vacant as at 1st April 2023 and (c) if so, where were the vacancies and what was the reason for the vacancy?

ANSWER:

Since the permanent establishment of the Manager positions within the Manufacturing Hubs across Queensland, two Managers have resigned.

As at 1 April 2023, one Manager position was vacant and recruitment is underway to fill the position. It is understood the incumbent took the opportunity to progress their career.
