

## Question on Notice

No. 734

Asked on 13 June 2023

**MR M HART** ASKED TREASURER AND MINISTER FOR TRADE AND INVESTMENT (HON C DICK)—

### QUESTION:

Will the Treasurer provide a breakdown (in dollar value) of SPER debt (reported separately for each month of the 2022-23 financial year) that has been (a) paid, (b) written off and (c) satisfied via the use of a work and development order?

### ANSWER:

I am advised that, as at 14 June 2023, the value of SPER debt that has been paid, written off and satisfied via the use of a work and development order for the 2022-23 financial year broken down by month is as follows:

Please note that percentages are rounded off and may not add up to 100.

For July 2022, \$32.30 million worth of debt has been paid, written off or satisfied via the use of a work and development order. Of this debt, 98.6%, was paid, 0.4% was written off and 1.0% was satisfied via the use of a work and development order.

For August 2022, \$37.15 million worth of debt has been paid, written off or satisfied via the use of a work and development order. Of this debt, 91.4%, was paid, 7.6% was written off and 1.0% was satisfied via the use of a work and development order.

For September 2022, \$33.15 million worth of debt has been paid, written off or satisfied via the use of a work and development order. Of this debt, 98.4%, was paid, 0.5% was written off and 1.2% was satisfied via the use of a work and development order.

For October 2022, \$32.85 million worth of debt has been paid, written off or satisfied via the use of a work and development order. Of this debt, 98.8%, was paid, approximately 0.0% was written off and 1.2% was satisfied via the use of a work and development order.

For November 2022, \$57.93 million worth of debt has been paid, written off or satisfied via the use of a work and development order. Of this debt, 58.3%, was paid, 40.9% was written off and 0.8% was satisfied via the use of a work and development order.

For December 2022, \$62.28 million worth of debt has been paid, written off or satisfied via the use of a work and development order. Of this debt, 53.2%, was paid, 46.1% was written off and 0.7% was satisfied via the use of a work and development order.

For January 2023, \$34.95 million worth of debt has been paid, written off or satisfied via the use of a work and development order. Of this debt, 92.3% was paid, 6.7% was written off and 1.0% was satisfied via the use of a work and development order.

For February 2023, \$34.54 million worth of debt has been paid, written off or satisfied via the use of a work and development order. Of this debt, 96.4% was paid, 2.4% was written off and 1.2% was satisfied via the use of a work and development order.

For March 2023, \$47.95 million worth of debt has been paid, written off or satisfied via the use of a work and development order. Of this debt, 80.9% was paid, 18.1% was written off and 1.0% was satisfied via the use of a work and development order.

For April 2023, \$34.21 million worth of debt has been paid, written off or satisfied via the use of a work and development order. Of this debt, 97.1% was paid, 1.7% was written off and 1.2% was satisfied via the use of a work and development order.

For May 2023, \$38.88 million worth of debt has been paid, written off or satisfied via the use of a work and development order. Of this debt, 97.5% was paid, 1.3% was written off and 1.2% was satisfied via the use of a work and development order.
