

**Question on Notice**  
**No. 780**  
**Asked on 14 June 2023**

**DR C ROWAN** ASKED MINISTER FOR EDUCATION, MINISTER FOR INDUSTRIAL RELATIONS AND MINISTER FOR RACING (HON G GRACE)

QUESTION:

With reference to Asbestos Awareness Annual Presentations and Asbestos Management Training in Queensland schools—

Will the Minister advise from 2015 to 2023-to date (reported separately by year) (a) each school that has completed its annual presentation to employees and P&C members as required, (b) the total number of schools that completed its annual presentation and the total number of schools that did not and (c) the schools where Asbestos Management Team Training has been provided by Regional Infrastructure Personnel and the dates of each training presentation?

ANSWER:

In relation to parts (a) and (b), the Department of Education incorporated asbestos awareness within its annual mandatory training programs for all employees in 2023. As at 30 June 2023, 93% of all school staff have completed this mandatory training.

The move to online delivery of asbestos awareness within mandatory training programs now provides access to asbestos awareness anywhere and at any time, which replaces the need for a presentation.

Parents and Citizens' Association (P&C) members, visitors and external service providers complete asbestos awareness via the Mandatory All-Staff Training key messages guide, with provision of these inductions facilitated directly by schools.

Previous records of asbestos awareness presentations and the attendance of employees and P&C members have been maintained locally at each school or facility. From 2016 to 2022, regular surveys required each school to confirm the completion or scheduled delivery of the annual asbestos awareness presentation.

It should be noted that not every school has asbestos containing materials.

The year and the number of schools which confirmed it had completed or scheduled its annual asbestos awareness presentation through regular survey is listed below.

2015 – 1146

2016 – 1135

2017 – 1155

2018 – 1160

2019 – 1131

2020 – 1111

2021 – 1151

2022 – 1148

In relation to part (c), the following information lists the location and the date the training was completed.

Tagai State College	21/02/2015
Capalaba State College	13/03/2015
