

**Question on Notice**

**No. 824**

**Asked on 15 June 2023**

**MR D PURDIE** ASKED MINISTER FOR TRANSPORT AND MAIN ROADS AND MINISTER FOR DIGITAL SERVICES (HON M BAILEY)—

**QUESTION:**

With reference to advice provided to AIS Scheme Members that mandatory training is to be introduced—

Will the Minister advise how costs for this training has been determined given that the training program is yet to be developed?

**ANSWER:**

I thank the Member for Ninderry for the question.

The Department of Transport and Main Roads (TMR) is committed to ensuring the cost of any training and assessment is reasonable. To identify a suitable provider to develop and deliver Approved Inspection Station training and assessment, TMR undertook an open and competitive two-staged procurement process. TAFE Queensland was the successful offeror.

The cost of the training and assessment was determined by TAFE Queensland and directly reflects the cost of developing, administering and maintaining the course.
