

Question on Notice

No. 832

Asked on 15 June 2023

MR M BOOTHMAN asked the Deputy Premier, Minister for State Development, Infrastructure, Local Government and Planning and Minister Assisting the Premier on Olympic and Paralympic Games Infrastructure (HON S MILES) –

QUESTION: With reference to the Investment Facilitation process for exclusive transactions and the five proposals referred to in Estimates Question on Notice 3 asked on 12 July 2022—

Will the Deputy Premier advise, since 1 December 2022 (a) how many have progressed to the next stage of the process, (b) how many have been withdrawn from the process by the proponent, (c) how many have been terminated by the government, (d) how many have been approved to proceed to delivery (transaction management phase) and (e) how many proposals have entered the process?

ANSWER:

The progression of a proposal depends on it meeting the exclusive transactions criteria and given these are private sector led projects, timeframes are largely dependent on the proponent.

Please refer to previous response to Estimates Questions on Notice 3 asked on 12 July 2022. Noting that since 1 December 2022, one qualified enquiry did not progress under the Exclusive Transactions Framework. One proposal in detailed assessment phase was terminated.
