MS S BOLTON ASKED THE MINISTER FOR HOUSING (HON M SCANLON)

QUESTION:

With reference to the budget funding social and affordable housing under the Housing and Homelessness Action Plan, the Queensland Housing Investment Growth Initiative, the Housing Investment Fund and QuickStarts Queensland—

Will the Minister advise of the number of dwellings or sites to be funded or commenced by 2027 in the Noosa Electorate?

ANSWER:

Under QuickStarts Qld, from 1 July 2021 to 30 June 2023, 148 new homes have commenced in the Sunshine Coast Region.

This is in addition to the 203 new social homes already commenced in the Sunshine Coast Region under the First Action Plan of the *Queensland Housing Strategy 2017–2027*.

As more opportunities to deliver new social housing are discovered within the Sunshine Coast Region, they will be assessed and included, where appropriate.

The Housing Investment Fund does not have regional targets, instead funds will be allocated to successful projects as the procurement processes progress.
