

Question on Notice

No. 870

Asked on 16 June 2023

MR J BLEIJIE asked the Deputy Premier, Minister for State Development, Infrastructure, Local Government and Planning and Minister Assisting the Premier on Olympic and Paralympic Games Infrastructure (HON S MILES) –

QUESTION:

Will the Deputy Premier provide the forecast population and number of residential lots in Caboolture West (reported separately by year) from 2023 to 2063?

ANSWER:

There are a range of factors influencing short, medium and long-term demand for residential land and development in Australia and indeed in South East Queensland.

The take up rate of land in Waraba (formerly known as Caboolture West) and corresponding growth in dwelling numbers and population will be dependent on a number of variables and as such, annual population and residential lot forecasts out to 2063 is not available for privately owned development sites or growth areas including Caboolture West.
