MR S KNUTH ASKED MINISTER FOR HEALTH, MENTAL HEALTH AND AMBULANCE SERVICES AND MINISTER FOR WOMEN (HON S FENTIMAN)

With reference to it being more than 12 months since the announcement that a \$5.8m TeleStroke service will be rolled out throughout regional and remote Queensland, providing better access to lifesaving stroke diagnosis and treatment—

Will the Minister advise (a) why the roll out has not been completed and (a) when access to the Telestroke service will finally be available to regional and remote Queenslanders?
