QUESTION

With reference to the QEII Hospital Expansion—

Will the Minister advise as at Monday 28 October 2024 (a) expenditure to date, (b) updated project budget, (c) expected completion date, (d) the specific scope and (e) specific additional services being provided?

ANSWER

The former government announced a QEII Hospital Expansion cost blowout of \$465 million to \$619.5 million, with no additional beds added to the scope of the program.

The Crisafulli Government is committed to delivering the health services and infrastructure that Queenslanders need.

The Government has appointed an independent team, led by hospital infrastructure specialist Sam Sangster, to conduct an analysis of the cost blowouts within the Capital Expansion Program, which includes the QEII Hospital Expansion. The Government will provide further updates following this process.
