The former government announced a Hervey Bay Hospital Expansion cost blowout of \$40 million to \$94 million, with no additional beds added to the scope of the program.

The Crisafulli Government is committed to delivering the health services and infrastructure that Queenslanders need.

The Government has appointed an independent team, led by hospital infrastructure specialist Sam Sangster, to conduct an analysis of the cost blowouts within the Capital Expansion Program, which includes the Hervey Bay Hospital Expansion. The Government will provide further updates following this process.
