MS J PEASE ASKED MINISTER FOR HEALTH AND AMBULANCE SERVICES (HON T NICHOLLS)—

QUESTION

Will the Minister advise (a) the number of additional mental health facilities to be delivered by the government, noting the LNP's Right Plan for Queensland's Future commits to 'tackle the emerging mental health crisis by delivering more dedicated facilities' and (b) advise the timeframe of completion to deliver these facilities?

ANSWER

The Crisafulli Government is committed to tackling the emerging mental health crisis by delivering more dedicated facilities. This includes two Step Up, Step Down specialist youth mental health services, one of which will be located in Rockhampton, to provide short-stay residential mental health services for patients.

Future announcements relating to facilities and completion timeframes will be made at the appropriate time.
