HON M BAILEY ASKED MINISTER FOR HEALTH AND AMBULANCE SERVICES
(**HON T NICHOLLS**)—

QUESTION

With reference to (a) public comments made by the Premier and Minister regarding pill testing and (b) the government's plans to close pill testing sites in Bowen Hills and Burleigh as reported in the ABC and Courier Mail on 25 November 2024— Will the Minister advise if the decision to close pill testing services aligns with the Queensland Clinical Prevention Framework?

ANSWER

As a former minister it is disappointing the Member is unaware that the Queensland Clinical Prevention Framework (the Framework) is currently in development.

I am advised development of the Framework has been informed by a review of current evidence and policies, and statewide consultation with frontline health professionals, program implementers, decision makers and consumers.
