MRS C MULLEN ASKED MINISTER FOR HEALTH AND AMBULANCE SERVICES (HON T NICHOLLS)—

QUESTION

Will the Minister advise in table format, the number of paramedics currently employed by the Queensland Ambulance Service, reported separately by (a) paramedic, (b) advanced care paramedic - including level one, level two, senior and graduates, (c) critical care paramedic including senior and (d) medical officer?

ANSWER

I am advised the Queensland Ambulance Service human resource metrics are built around occupied Full Time Equivalent positions. An individual's clinical scope of practice remains with a person irrespective of the function that they perform. As such, we are unable to provide the total number of employees as per the requested information.
