MR G BUTCHER ASKED MINISTER FOR HEALTH AND AMBULANCE SERVICES (HON T NICHOLLS)—

QUESTION

With reference to the new Coomera Hospital—

Will the Minister advise as at Monday 28 October 2024 (a) expenditure to date, (b) updated project budget and (c) expected completion date, (d) the specific scope and (e) specific additional services being provided?

ANSWER

As at the 28 October 2024, the new Coomera Hospital was publicly announced at \$1.3 billion, however several hospital expansion projects across Queensland have suffered from significant cost blowouts and project delays from what was announced by the previous government.

The Crisafulli Government is committed to delivering the health services and infrastructure that Queenslanders need.

The Government has appointed an independent team, led by hospital infrastructure specialist Sam Sangster, to conduct an analysis of the cost blowouts within the Capital Expansion Program, which includes the new Coomera Hospital. The Government will provide further updates following this process.
