

QUESTION ON NOTICE

No. 232

asked on 7 March 2024

MR S KNUTH ASKED THE MINISTER FOR REGIONAL DEVELOPMENT AND MANUFACTURING AND MINISTER FOR WATER (HON G BUTCHER)—

QUESTION:

With reference to the Final Report for the Tablelands Regional Water Assessment Program having been submitted to the Minister's office—

Will the Minister confirm if the final report will be released immediately, or at a minimum prior to June 2024?

ANSWER:

Once finalised and considered by government, it is my intention to release the final version of the Tablelands Regional Water Assessment (RWA).

I acknowledge the constructive feedback provided by the Tablelands community to help inform this important RWA process, which was a careful look at future water demand and infrastructure and non-infrastructure solutions to meet that demand and deliver water security and economic growth into the future.
