- 269 **MR S KNUTH** ASKED MINISTER FOR REGIONAL DEVELOPMENT AND MANUFACTURING AND MINISTER FOR WATER (HON G BUTCHER)
- With reference to recent notable increases in land valuations because of the continuing rise of costs in water licences, which are tradable in the market-place, for rural, agricultural properties and as these licences are essential for agricultural practices and represent a critical resource necessary for sustainable farming practices—
- Will the Minister commit to excluding water licences from future land valuations for agricultural properties?
