**MR M BERKMAN** ASKED MINISTER FOR AGRICULTURAL INDUSTRY DEVELOPMENT AND FISHERIES AND MINISTER FOR RURAL COMMUNITIES (HON M FURNER)

With reference to new European Union (EU) deforestation regulations which require importers to the EU to prove cattle products were not produced on land where deforestation occurred after 30 December 2020—

Will the Minister advise if the department assessed the risks to the agricultural sector, particularly those hoping to export cattle to the EU under new free trade agreements, if Queensland is classified as a high risk area for deforestation?
