MR B HEAD ASKED DEPUTY PREMIER, TREASURER AND MINISTER FOR TRADE AND INVESTMENT (HON C DICK)—

QUESTION:

Will the Treasurer advise the total dollar amount of royalties received by the State Government from resource extraction activities within the Callide Electorate (reported separately by financial year and by commodity) from 2014-15 to 2023-24 (to date)?

ANSWER:

I am advised that it is not possible to accurately calculate royalties received by the State Government from resource extraction activities within the Callide Electorate. Royalty liabilities are calculated on the basis of mining and petroleum operations and some operations overlap multiple state electorates. Additionally, it is possible the resource extraction may, within a designated financial year, occur entirely in a section of the operation which is outside of the Callide Electorate.

A breakdown by commodity is unable to be provided as it may disclose confidential information.
