- 307 **MR S KNUTH** ASKED MINISTER FOR POLICE AND COMMUNITY SAFETY (HON M RYAN)
With reference to the Queensland Weapons Licensing branch having statutory obligations to issue a weapons license renewal notice and it coming to my attention that some weapons licence holders have not received renewal notices and are having their licences cancelled—
Will the Minister investigate this issue to ensure the problem is fixed and immediately grant those who have not received licence renewal notifications an extension to renew existing licenses to avoid them having to reapply for a new licence?
