MR T WATTS ASKED MINISTER FOR POLICE AND COMMUNITY SAFETY (HON M RYAN)—

QUESTION:

Given the efficiency and user-friendliness of the ITAS (Intelligence, Tactical and Analysis System), will the Minister provide the number of Police Officers rostered for Toowoomba Police Station for the periods from 31 December 2022 to 27 January 2023 and 31 December 2023 to 27 January 2024?

ANSWER:

I refer the member to the response to Questions on Notice numbers 345-2023 and 980-2023 on this matter.

In this regard, I continue to accept the Queensland Police Service advice that diverting police personnel away from key community safety responsibilities for the manual examination of paperwork is not in the interests of community safety.
