

Question on Notice

No. 417

Asked on 17 April 2024

MR D ZANOW ASKED MINISTER FOR TRANSPORT AND MAIN ROADS AND MINISTER FOR DIGITAL SERVICES (HON B MELLISH)—

QUESTION:

With reference to the new Colleges Crossing Bridge on Mt Crosby Road—

Will the Minister advise (a) the immunity of the deck level of the bridge (in cubic metres of water per second flowing under the bridge) and (b) the total cost of the new bridge?

ANSWER:

I thank the Member for Ipswich West for the question.

I am advised that the new Mount Crosby Vehicle Bridge, which the Member is referring to, is 4.3 kilometres upstream from Colleges Crossing and was not constructed by the Department of Transport and Main Roads.
