DR M ROBINSON ASKED MINISTER FOR TRANSPORT AND MAIN ROADS AND MINISTER FOR DIGITAL SERVICES (HON B MELLISH)—

QUESTION:

With reference to previously promised marine infrastructure projects at Dunwich on North Stradbroke Island—

Will the Minister provide a project plan and advise the final construction date for the Dunwich Harbour redevelopment as part of the SEQ City Deal?

ANSWER:

I thank the Member for Oodgeroo for the question.

The Dunwich Ferry Terminal Upgrade is a South East Queensland (SEQ) City Deal strategic investment commitment between the Australian Government, Queensland Government, the Council of Mayors (SEQ) and Redland City Council.

Following publication of the Gumpi Master Plan in late 2023, the Department of Transport and Main Roads is working with stakeholders to prepare the terminal upgrade project plan for consideration by SEQ City Deal partners by mid 2024. Future milestones and the project scope will be informed by option development and refinement, in consultation with stakeholders.
