MR D LAST ASKED MINISTER FOR TRANSPORT AND MAIN ROADS AND MINISTER FOR DIGITAL SERVICES (HON B MELLISH)—

QUESTION:

Will the Minister advise when work will commence on the much-needed upgrades to the Bowen marina?

ANSWER:

I thank the Member for Burdekin for the question.

The Miles Government has invested over \$7 million in upgrades to the state-managed Bowen Boat Harbour since 2015. Upgrades delivered include:

- \$2.3 million on capital dredging for entrance widening and associated beacon installation to improve harbour access, completed in 2016
- \$1.2 million on upgraded public boat ramps and new floating walkway, completed in 2018
- \$3.6 million on extending the entrance channel breakwater, completed in 2020.
