**MS A LEAHY ASKED MINISTER FOR FIRE AND DISASTER RECOVERY
AND MINISTER FOR CORRECTIVE SERVICES (HON N BOYD)**

QUESTION:

With reference to the SDS for Queensland Fire Department Page 15 Capital Program for the Queensland Reconstruction Authority— Will the Minister advise of the funding allocations for each program reported separately by (a) the description of each project/initiative, the name of the recipient, the level of funding provided in financial years 2022-23 and 2023-24, (b) the amount of any carry over funding, (c) the proposed program funding in 2024-25 and post 2024-25 (reported separately by program and financial year) and (d) the portion allocated from Queensland or Australian Governments

ANSWER:

I thank the Member for the question.

The total program of works comprises more than 2400 individual projects of varying scale being delivered by multiple delivery agents across the state. The level of detail required to respond to this request more fully is therefore a complex and time-consuming task to undertake. To compile this information would impose an unnecessary impost on QRA staff who are currently prioritising the largest disaster recovery program Queensland has seen since 2011.
