MS A LEAHY ASKED MINISTER FOR FIRE AND DISASTER RECOVERY AND  
MINISTER FOR CORRECTIVE SERVICES (HON N BOYD)

**QUESTION:**

With reference to the Community Health and Wellbeing package 2023 Southern Queensland Bushfires announced in May 2024— Will the Minister advise for each component of the package (reported separately by component) (a) number of FTEs employed, (b) when employment commenced for each FTE, (c) the amount of funding expended so far for the package, (d) the items on which funds have been expended reported by type and amount and (e) amount of funding expended to date in each of the eligible LGAs?

**ANSWER:**

I thank the Member for the question.

The Community Health and Wellbeing package 2023 Southern Queensland Bushfires is being delivered by the Department of Treaty, Aboriginal and Torres Strait Islander Partnerships, Communities and the Arts. This is not within my portfolio responsibilities, and I suggest the Member direct their question to the relevant Minister.
