Mr J Sullivan asked Premier and Minister for Veterans (Hon. D Crisafulli)—

QUESTION:

Will the Premier (a) commit to funding and delivering - in full - the LNP election commitment to upgrade Valleys Diehards Rugby League Club facilities and grounds (in Grange) and (b) if so, what timeframe will the Premier commit to?

ANSWER:

The Crisafulli Government's commitment to Valleys Diehards Rugby League Club is confirmed in Appendix B: Games On! Grassroots Infrastructure Program at page 148 in the Queensland Budget 2025-26 Budget Measures Budget Paper No. 4. Despite successive Labor Members for Stafford, the Crisafulli Government is committed to ensuring the athletes of Valleys Rugby League Football Club have adequate grassroots infrastructure.

I am advised that the Minister for Sport and Racing and Minister for the Olympic and Paralympic Games and relevant department has been in contact with the Club regarding this election commitment, with delivery timeframes dependent on discussions with the Club.
